WORLD SUSTAINABLE
PROCUREMENT DAY

MARCH 25-26, 2026

5th

ANNUAL
EDITION

24+ Hours of Learning, Exchange & Action

#ActionOverNoise | For Procurement By Procurement | Virtual - Free - Global

About WSPD 2026

WSPD is a global moment for the procurement community to come together - across regions, industries, and topics - to learn, exchange, and collaborate with one goal: making sustainable procurement the default. Designed by procurement, for procurement, it's a free, inclusive space where professionals, leaders, and allies unite to tackle the most critical challenges shaping the global sustainability agenda. Focusing on People, Planet and Profession, WSPD 2026 is your opportunity to turn ambition into practical action - with just five years to 2030, the time to lead is now.

PEOPLE

Human rights, equity
& inclusion, supplier diversity

PLANET

Decarbonisation, circular
economy, renewables, biodiversity

PROFESSION

Leadership, governance,
AI & tech, skills

CONVERGENCE

Where People, Planet &
Profession meet
